***Notes:**

1) The County List only includes active and expired 1512 programs. It does not include any active non-1512 programs, nor does this list include expired non-1512 programs (such as SNAP). The list also contains the 2008 and 2009 Aquaculture Grants, but does not include any funding for this award. Any awards that were suballocated to organizations located outside of Georgia are not listed here.

2) The Fulton County Watershed Rehabilitation program was originally listed in the CVIOG data as a \$688,690 award. The State's 1512 reporting data and Recovery.Gov both have the award listed as \$550,000. For this reason OPB manually decreased the listed amount of the Fulton County award to \$550,000.
